

A group of Oklahoma Limousin breeders working together to furnish funds for a Limousin/Lim-Flex show back program for heifer calves purchased at designated auction sales in Oklahoma where other show back incentives are not offered.

Each breeder designates their show heifer prospects and contributes \$100 per head to the premium purse, or the sale (production or consignment) may designate all heifers in the required age limits as "Leading Limousin Ladies" if purchased by a junior exhibitor. Purchasing junior must tell settling clerk sale day if they want heifer entered in the show back program. Seller pays the \$100.00 entry fee on all such heifers.

Heifer calves must be born between Sept. 1, 2009 and December 31, 2010 to be eligible for the June 2011 "Leading Limousin Ladies" show back at the Oklahoma Field Day.

Heifers may be orange-papered Limousin 75% or higher or purple-papered Lim-Flex heifers. All eligible heifers will show together with classes being broke after check-in at the field day.

Champion heifer will receive 40% of the premium purse, 20% for Reserve Champion and 10% for Third Best. The remaining 30% will be used for class monies.

Heifers will be designated in the sale catalog or on the supplement sheet sale day.
